I have the honour to inform you that, taking into account the interest to facilitate travelling between Portugal and Bermuda, the Portuguese Government proposes to Her Majesty's Government a Visa Abolition Agreement in the following terms:

1 - Except as provided in paragraph 4, Portuguese citizens with a valid Portuguese passport will be able to enter freely in Bermuda Territory for a temporary stay, in transit, business or tourism, without requiring a visa.

2 - Except as provided in paragraph 4, those persons holding a British passport in which the status of the bearer is described as British Dependent Territory Citizen (Bermuda) will be able to enter freely in Portuguese territory for a temporary stay, in transit, business or tourism, without requiring a visa.

3 - By temporary stay is understood a stay of no longer than 90 days which can be extended by the relevant authorities.

4 - The Portuguese and Bermudian relevant authorities reserve the right to refuse entry or stay in their respective territories of persons they may consider undesirable or that do not comply with general rules regarding the entry of foreigners in their respective territories.

5 - Either of the Governments can temporarily suspend the present Agreement for reasons of public order or national security. That suspension should be communicated immediately to the other Government by diplomatic channels.

6 - If Her Majesty's Government agrees with the above, I have the honour to propose that this note and your reply to that effect shall constitute an Agreement between our two Governments which shall enter into force as soon as both Parties have informed by diplomatic channels that the necessary constitutional formalities have been finalised.

I avail myself of this opportunity to renew to you, Sir, the assurance of my highest consideration.
